LATE CANCELLATION AND NO-SHOW POLICY

Cancellation:

For the convenience of all our patients and staff, Orthopaedic Surgical Specialists requires one full business day notice whenever you need to cancel an appointment. Getting cancellation information in advance allows the office to schedule and serve other patients.

No-Shows:

We understand that things happen and appointments may sometimes not be cancelled in advance. With that in mind, we will forgive a single missed appointment however, after one miss or late cancellation, you will be charged **\$40.00** for each instance. We reserve the right to dismiss patients from Orthopaedic Surgical Specialist after 3 missed appointments in a 12-month period.

Orthopaedic Surgical Specialists firmly believes that a good physician/patient relationship is based upon understanding and good communication. Any questions regarding late cancellation and no-show fees should be directed to the office administrator.
